

The Story of the **Pink Ribbon**

Born from metal and hope, this aluminum art piece was created by Dave Ludwig of **Prestige Auto Body** in the hopes of bringing support and awareness to those battling breast cancer. A true labor of love, this sculpture embodies the passion, excellence and craftsmanship that Prestige Auto Body gives their customers and community. Taking over 200 hours to complete, this sculpture stands as a symbol of hope and strength to those in need.

Prestige Auto Body

As one of the leading collision repair shops in the area, Prestige Auto Body is a proud member of the Manchester, NH, community. From autos to art, their quality and care is reflected in every job they take on and every individual they help.

Technology meets craftsmanship.
